- and so much more!

During First Friday on December 2, 2016, Guardian House will host our first annual **Night for los Niños Art Fundraiser & Vendor Exhibition at Hemisfair Park, Yanaguana Gardens** from 5:30-9:30pm. This family-friendly event will include live music, food trucks, art sales, children's art activities, vendor booths and so much more. I would like to invite you to be part of this exciting evening and to support our mission with an event sponsorship.

Since 1997, **Guardian House** has envisioned a community in which all parents view the emotional well-being and stability of their children as a priority. Join our mission to shield children from family conflict; to promote positive parenting and relationships; and to keep children and families connected. By sponsoring **Guardian House**, you support the children and families who are in need of a therapeutic, child-focused environment for children of separation or divorce to successfully maintain and build relationships with both parents.

With over 1,500 people in attendance at Yanaguana Gardens during First Friday,

**Night for los Niños** will be in a highly-visible venue allowing **Guardian House** to raise awareness of our program and services, as well as raise much needed funds. This is also a tremendous opportunity for you to demonstrate your support for our community's children, and we want to make sure that your business is recognized - before, during and after the event - in a variety of ways.

Attached for your consideration are the sponsorship opportunities and reservation form for this family-friendly event. We invite and encourage you to join our efforts in making it a great success.

For more information, please feel free to contact me at 210-618-9455 or by email at [efernandez@guardianhouse.org](mailto:efernandez@guardianhouse.org).

I hope you will join us for this exciting night of arts, music, family and community gathering!
